INTEGRATED NETWORK SOLUTIONS

Enterprise Copper Solutions

Channel Certification;
Component Certification;
International 3rd Party Certificate; SITA Approved;

Enterprise Fibre Solutions

International 3rd Party Certificate; SITA Approved;
25 year system warranty for end to end solution

Enterprise Network Cabinets

Complies with international standards;
Customisation at mass volume prices

Attestation of Conformity

Compliance Statement

SITA Approved

Enterprise Copper Solutions

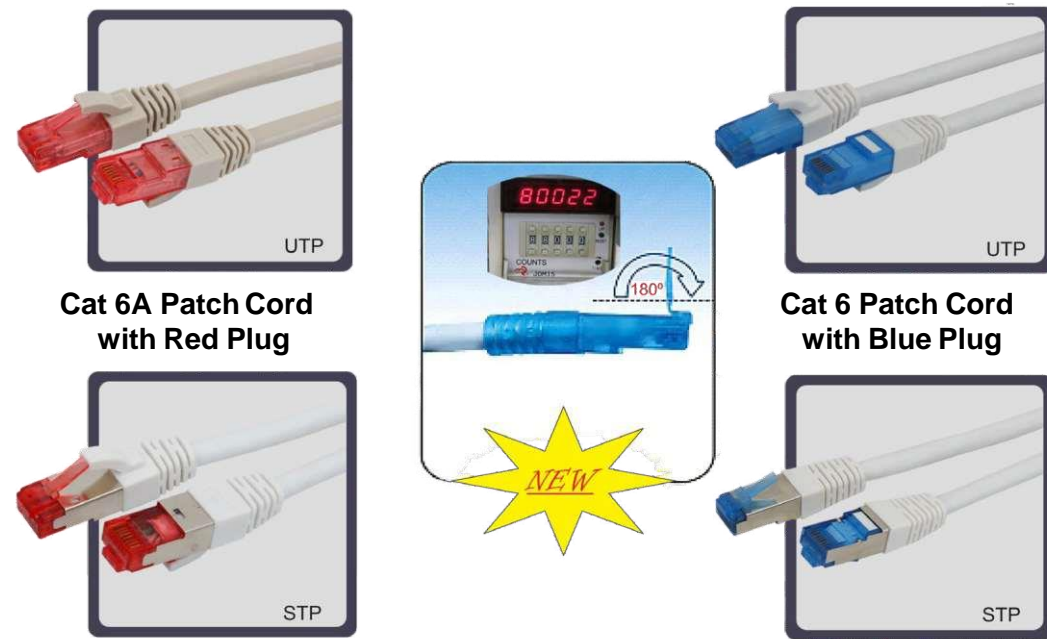

OUR CAT6 & CAT 6A PATCH CORDS ARE COMPONENT COMPLIANCE CERTIFIED

WHY IS THIS RELEVANT?

Generally all retail series cords fail by -5 db. and can extend to -10 db. For each -3 db. the network operates at 10% less efficiency

Global SIX

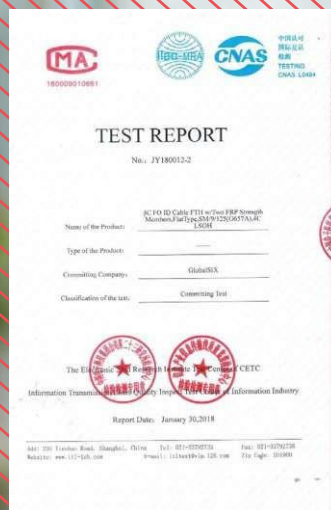

Unbreakable Patch Cords

Special Application Cords

- Easy Patch Cords
- Security Patch Cords
- Slim Patch Cords
- Angled Patch Cords

Enterprise Fibre Solutions

International 3rd party certification

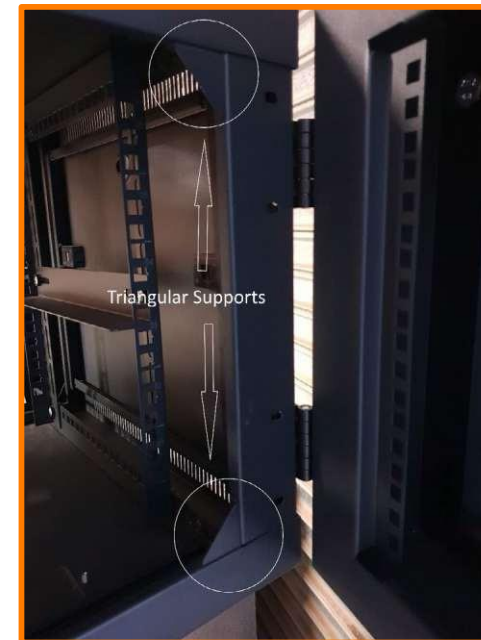

SITA approved

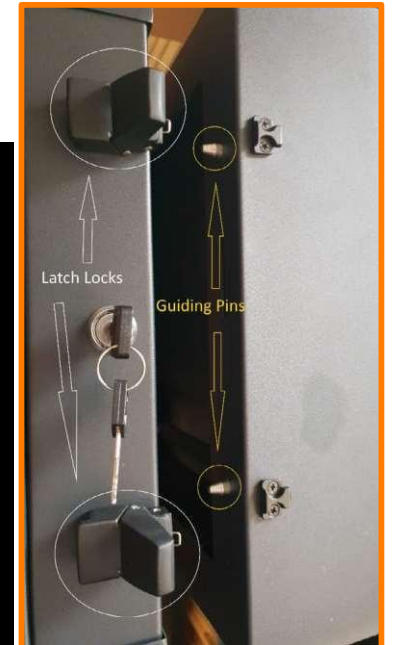

25 year warranty for end to end solution

Enterprise Network Cabinets

WHY CUSTOMISATION FOR OUR SWING FRAME CABINETS?

GlobalSIX flat packed option can take 22 - 30kg's without welding structure, while non-welded flat packed option can only take 5kg's load. Above is a customisation we did for an education project.

CUSTOMISATION OF OUR FLOOR-STANDING CABINETS

CUSTOMISATION AT MASS VOLUME PRICES

Complies with International standards:

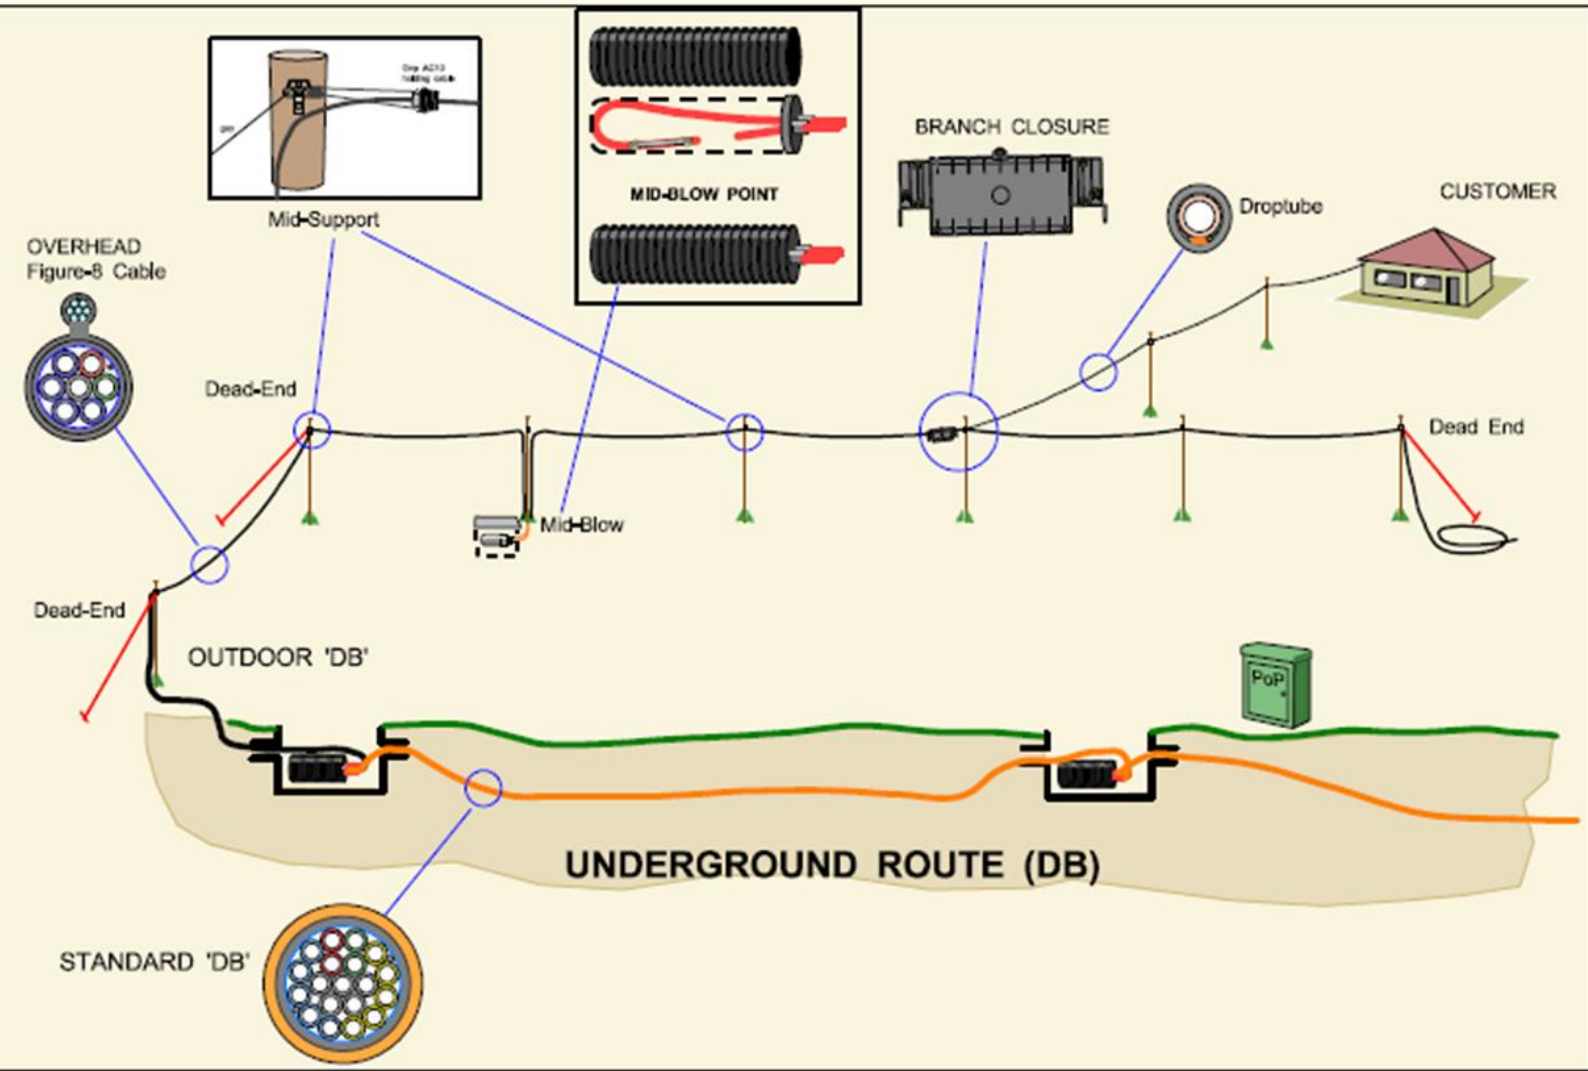

Swing Frame Cabinets:
Comply with ANSI/EIA RS-310-D, IEC297-2, DIN 41497 part 1, DIN 41497 part 7, GB/T 3047.2-92

Floor standing Cabinets:
Comply with ANSI/EIA RS-310-D, IEC297-2, DIN 41491 part 1, DIN 41497 part 7, ETSI

LEFT: Example of a recent customisation for an Health Care Project which had the power source for the fan units fed directly from the PDU

PEOPLE COUNTING: RETAIL SOLUTIONS

The Robo360 IR People counter is a high accuracy counter that can be integrated with P.O.S Systems.

It offers retail stake holder an unsurpassed level of monitoring and analysis

via the Retail Trendz software platform.

EIS Middle East Branch has Deployed 3000 units across the Middle East.

TACTICAL SOURCING

We source and supply products which will assist with your requirements making a full solution possible.

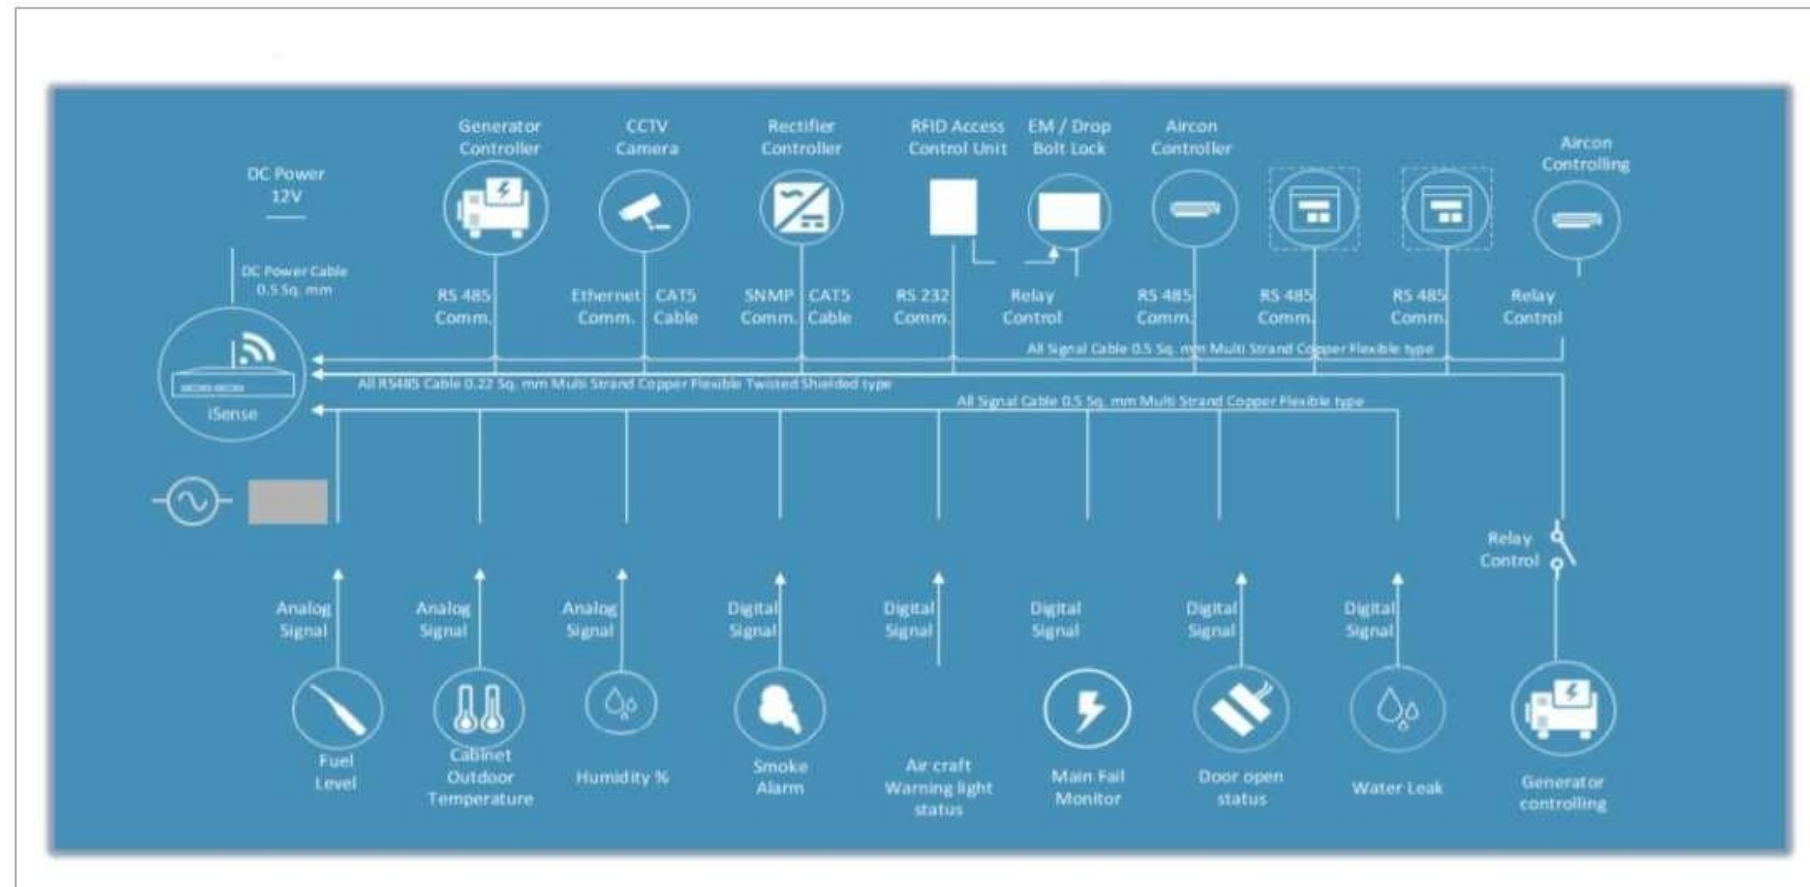

- ◆ B-BBEE level one accredited – Earn Procurement points when you buy from us.
- ◆ Dedicated Stock Profile Analysis
- ◆ Dedicated Staff to procure your top 40 Sundries & Accessories – Reduce your cost
- ◆ Efficient procurement – Attention to detail
- ◆ All small products add up

REMOTE MONITORING THROUGH IOT

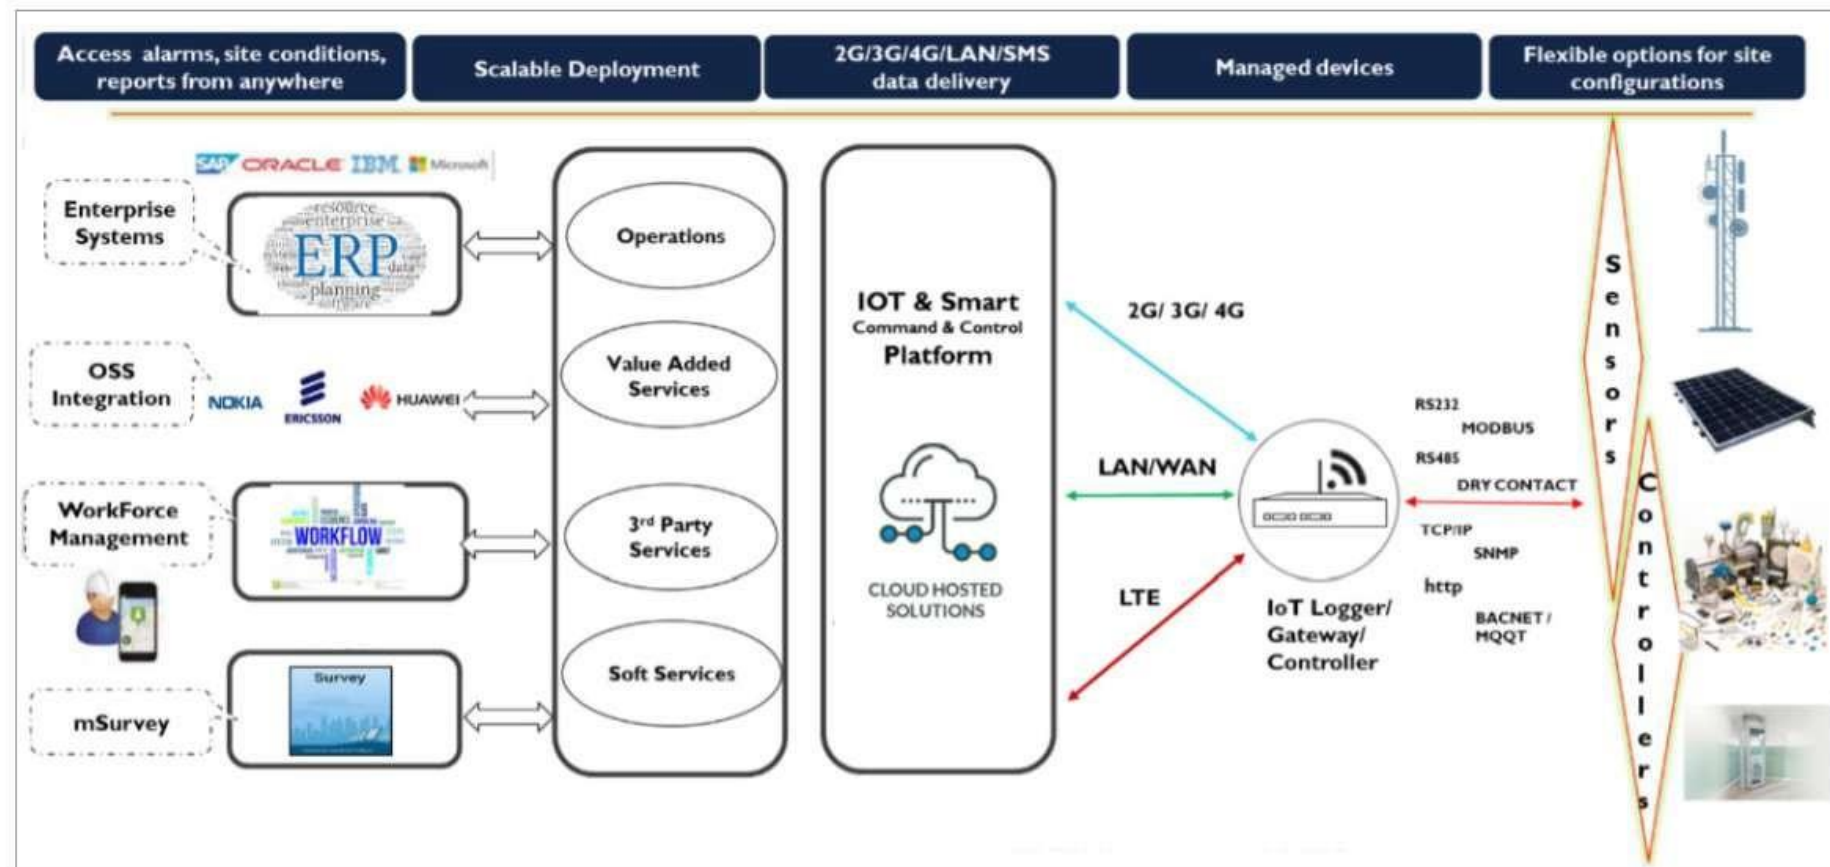

- Monitor Distributed assets
- Lean Operations
- Total Productivity Maintenance
- Cost Optimization

IIOT SOLUTION – CONNECTIVITIES

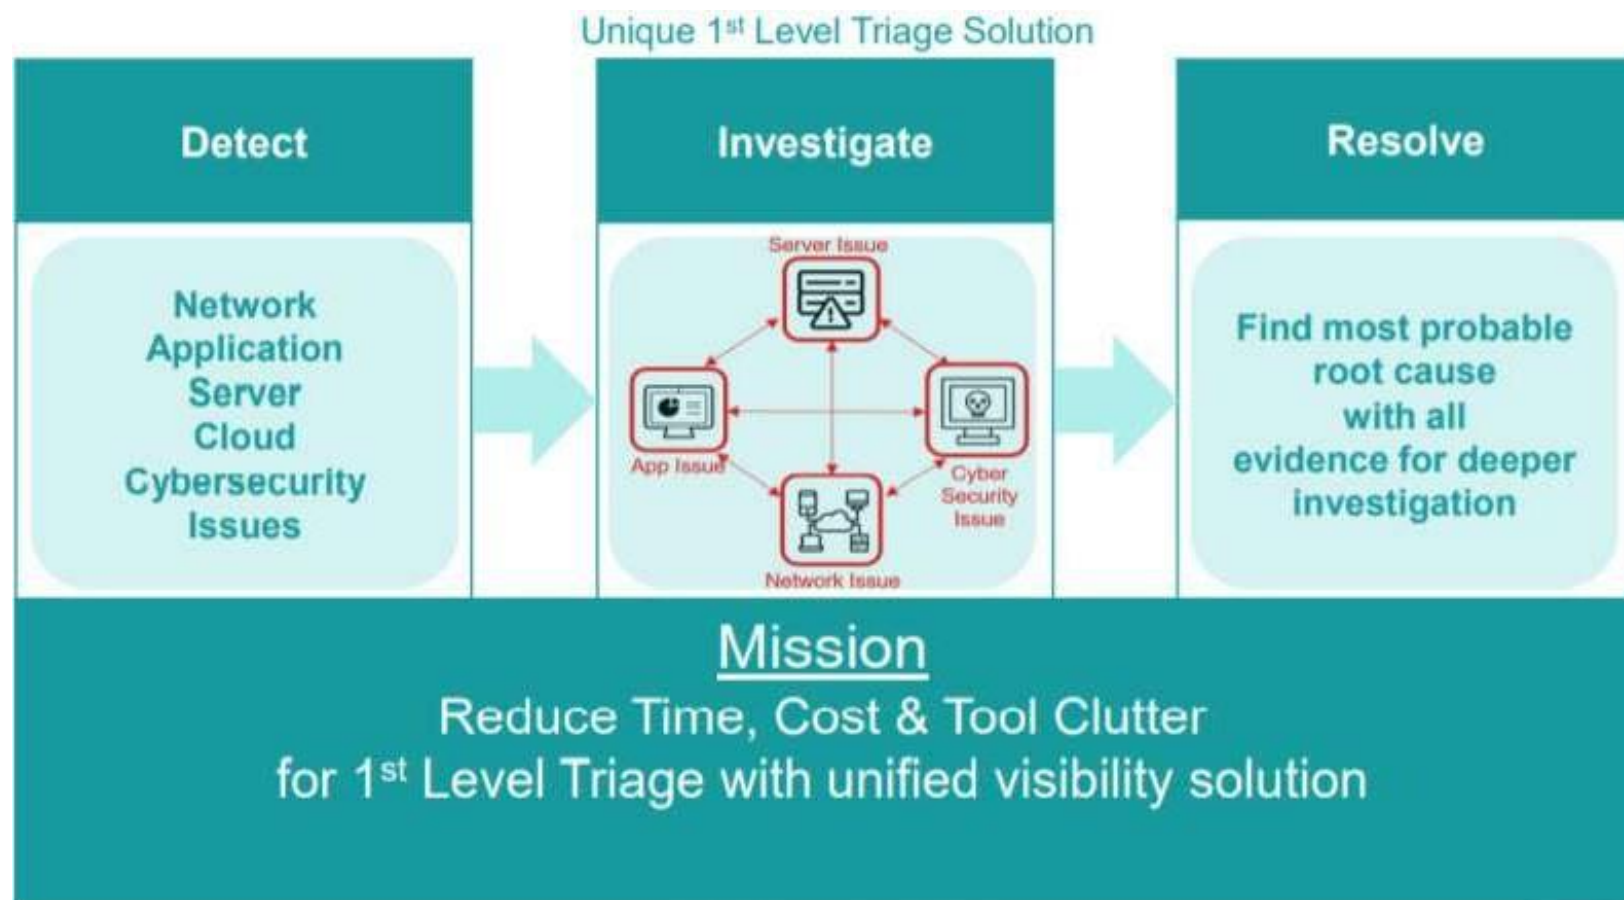

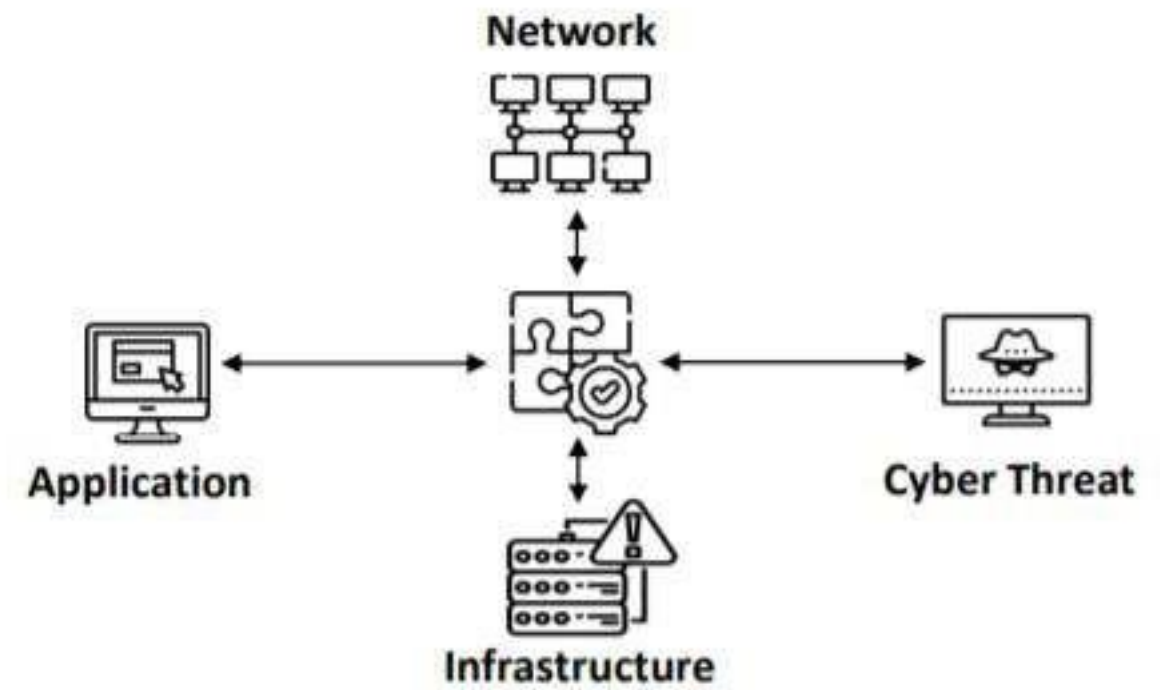

IIOT SOLUTION – ARCHITECTURE

Enterprise360 helps enterprise IT organizations proactively detect & isolate problems across network, app, infrastructure and cyber threats in a integrated solution using correlated analytics
